

Firefly Arts and Crafts Prospectus

Firefly Arts and Crafts is a small boutique located within Firefly Coffee House. We sell handmade arts and crafts of a variety of mediums and different artists. One of our goals is to help support the artist in his or her journey by providing a viable outlet for them to sell their work to the public. We believe that Firefly Coffee House will become a shopping destination for those seeking unique, local, quality, and affordable handmade arts and crafts.

Firefly Arts and Crafts is currently looking for prospective artisans to join our team. We are looking for a variety of goods such as ceramics, screen prints, clothing, handbags and other accessories, scarves and other knitted items, glass, stationary such as note cards, other paper goods, hand bound books, local authors, candles, etc. Firefly Arts and Crafts takes a twenty five percent commission from all sold items.

If you would like to participate, we ask that you keep quality in mind. We are looking for the finest goods created with a vision in mind. We also ask that you try to keep your items below fifty dollars in price. We are also asking that the artist keep their stock fresh and rotated on a regular basis. Work must be original and by the artist. Checks for sold work are ready for pick up on the first day of each month (if pieces have sold) and are mailed out to the address on file the fourth of every month. Checks are not written for less than ten dollars, but rolled over to the next month.

Artists who decide to participate will be asked to sign a contract outlining some of the above. They will also be expected to label their work in the appropriate manner as instructed by Firefly Arts and Crafts to make the selling transaction. Firefly Arts and Crafts will not take responsibility for lost, stolen, or damaged work. We also implement a no refund policy. Any issues about items after time of purchase are between the patron and the artist. Firefly Arts and Crafts will also reserve the right to refuse or remove any work as it sees fit for any reasons. Some reasons may include: quality, size, extremely vulgar or inappropriate work, work that does not necessarily adhere to our vision, etc.

Firefly Arts and Crafts has a desire to serve both its patrons and local artisans. We will do our best to respect and protect work on display. Artisans interested email us or call the store. If you are interested, contact us with a bit of information about your work and yourself, as well as a handful of images of your work.
